Profile

Creative & curious mind interested in the intersection of architecture, design, and hospitality. Currently studying towards a BA in Architecture. Passionate about combining culture, architecture, food and people.

Education

University of California,

Berkeley

Expected May 2024

Bachelor of Arts in Architecture, Minor in City Planning

Awards

Judith Lee Stronach Undergraduate Traveling Scholarship

Berkeley

May - August 2023

Awarded 5,000\$ to research the architecture of refugee camps. Traveled to West Bank and upon return, showcased my findings through photographs at the College of Environmental design. Digital gallery can be explored at: force-of-control.karreth.com

Experience

Art Studio & Creative Lab - Berkeley

Studio Assistant

February 2022 - Present

Manage customer service, ceramics studio operations (including kiln loading and clay recycling), support darkroom and screenprinting classes (restocking chemicals, assisting students, answering queries, selling equipment), communicate with instructors, facilitated evening closures. In the Creative Lab, handle event photography and designed, printed, and distribute advertising material for Student-Run Organizations.

Cells Property Investors - Berlin, Germany

Intern

March - August 2021 & June - July 2022

Experienced a deep dive into all phases of construction and project management in the heart of Berlin's historic Kurfürstendamm on the Fürst project. Project consisted of 47,000m² of new office space and tasks LEED protocols, supervising construction processes to overseeing crane deployments.

UUU - Berlin, Germany

Intern

June - July 2022

Spent two intensive months in the kitchen of this Chinese fine dining restaurant helping prepare the fixed menu and tea pairing. Through long shifts and incredible attention to detail, learned how to navigate a high stress environment successfully while learning the inner workings of the fine dining industry.

Luitpold Gelände - Munich, Germany

Assistant Facility Manager

June - August 2020

Learned to perform key maintenance duties within this office complex in Munich. Tasks included plumbing, heating, gardening and janitorial duties.

Skills

Illustrator, Lightroom, Photoshop and InDesign.

Rhinoceros 3D, Fusion 360, Cargo, WordPress, Google Analytics and Excel

Extensive knowledge of Film Photography - shooting, developing, scanning, and printing b&w.

Native German, English, and Spanish

-

Conversational in French
