

The Lady Vanishes Remount

By: Hanni

Remount summary

On Mardi Gras day, Iris, who is preparing to be the Mardi Gras Queen, befriends a Mardi Gras Maid who is in her float. While lining up the floats for the parade, Iris is not properly strapped onto the float and ends up falling, ultimately landing unconscious for a few moments. When she wakes up, she no longer can find Froy, the maid, and no one seems to know anything about her. Antics ensue as Iris and Gilbert team up to search for Froy on the tandem floats. Little did they know, the parade's funder has sinister plans to get in office.
