

OYKU ERDENLIG

ABOUT ME

I am a UK based artist specialising in concept art for entertainment industry, hand textured stylised character. Also has experience in 3D, Rigging and animation. My personal work is inspired by nomadic way of living, my own cultural elements and emotional driven storytelling. I enjoy creating characters, worlds. Particularly atmospheric and cinematic way of storytelling. I am looking into working full time employment, but I am flexible with part time or freelance. Open to internship opportunities.
