

It Feels Right to Me: An Exploration of the Erotic

An exhibition curated by Mina Sarfaraz and Madi Diaz

On View January 26 - February 13, 2024

Middendorf Gallery

Baltimore MD

It Feels Right to Me served as a call to action through diverse artistic expressions encompassing visual arts, performance pieces, poetry, and more. *It Feels Right to Me* traversed love, chaos, and desire, inviting viewers to examine the profundity of sharing passion and the transformative effects of this exploration. The show echoed Audre Lorde's essay, *Uses of the Erotic: The Erotic as Power*. Working from Lorde's expansion of the bounds of the erotic to reach far beyond purely sexual, we invited artists to join us on this collective journey to discover the transformative potential of redefining the way we perceive and experience the erotic in the modern world.

“When we begin to live from within outward, in touch with the power of the erotic within ourselves...we begin to be responsible to ourselves in the deepest sense.”
