Experience

Harriet Spear Studio

Graphic Designer Sep 2023-Present
On design team for several environmental and wayfinding design projects for national parks including Niagara Falls, 107th/Bobby Wagner Walk project, and more parks in the NY area.

Raemann

Identity and Web Design

In collaboration with Lauren Salerno, we created the brand identity and website for videographer and photographer duo Patricia Whaley and Manuel Miranda aka Raemann.

OG Coffee Roasters

Identity, Packaging, and Web Design

Working with experienced professionals in the coffee industry to construct a brand identity, website, and collateral that emphasizes the value, love and passion OG – Oscar Gomez – has for the coffee he grows in Antioquia, Colombia and roasts in Long Island City, New York.

FIT Graphic Design Department

Identity and Web Design

In collaboration with Lauren Salerno, we created the identity and website for the Graphic Design BFA program at FIT. For students to choose courses, represent alumni and faculty.

Mentorship with professor Haggai Shamir

August 2022-June 2023

Participated in helping promote Graphic Design program at FIT through vinyl installations, creating billboards in school, and volunteering in talks for underclassmen.
