Charlotte, NC

Freelance Graphic Designer

Designed promotional and informational materials for a retirement home, this included flyers, brochures, and signage. Ensured clear communication and accessibility for an older audience and their families while maintaining consistency with existing brand.

Freelance Designer

Designed the book cover and promotional materials for the annual Career Connections event, aimed at helping students network and explore internship opportunities. Ensured designs aligned with the event's professional tone while appealing to a student audience.

Freelance Designer

Created promotional materials, including flyers and social media graphics, to enhance the store's visibility. Also designed a working website mockup to showcase products, store information, and promotions.

Print Production Director

Managed the print production process by coordinating and overseeing the preparation of files for print and collaborated with team members to meet deadlines and maintain production standards. The role also involved troubleshooting any print-related issues and ensuring that the final product aligned with the client's vision and needs.

Marketing Intern

Assisted in organizing and coordinating events to promote awareness and appreciation of Asian culture on and around campus.

UI Design Intern

Worked in a small team to complete a project for an assigned product through which exposure to the software development lifecycle of designing, building and quality was made.

Graphic and UI Design Intern

Worked alongside other student interns in order to create an app that would help small business owners and their businesses during the COVID-19 pandemic.
