DESIGN EXPERIENCE

10/2021 to 4/2022

Graphic Designer
Visual Arts Student Association
School of Visual Arts — New York, NY
- Collaborated closely with student government officers and Student Affairs faculty.
- Executed promotional materials for various events and initiatives for print and social media using primarily Adobe Illustrator.

9/2019 to 3/2020

Cooperative Education Design Intern
Passaic County Technical Institute — Wayne, NJ
- Collaborated with school's communications department, led by the director of communications, another design intern, and a senior design teacher.
- Worked on various promotional and print materials, making sure to stick to the brand identity system of the school. Used Adobe Creative Suite.
- Executed various design projects and production under tight time constraints independently and cooperatively.
