Mare Liberum | Punt Kit (1/12th Scale), 2016 | www.thefreeseas.org | edition of 50
prepared for Radical Seafaring at the Parrish Art Museum

punt (n.2): "flat-bottomed river boat," late Old English punt, perhaps an ancient survival of British Latin ponto "flat-bottomed boat" (see OED), a kind of Gallic transport (Caesar), also "floating bridge" (Gellius), from Latin pontem (nominative pons) "bridge" (see pontoon). Or from or influenced by Old French cognate pont "large, flat boat."
