

EDUCATION

PRATT INSTITUTE

2021-2025 — BROOKLYN, NY

Bachelor of Industrial Design, Minor in UX/UI

DIS COPENHAGEN STUDY ABROAD

JUN-JUL 2023 — COPENHAGEN, DENMARK

Furniture Design

EXPERIENCE

AWARD DESIGNER, PRATT LEGENDS

JUN-OCT 2024 — BROOKLYN, NY

- Conceptualized and presented multiple award designs, creating mockups to illustrate various approaches
- Curated materials to balance quality and durability, representing the legacy and achievements of the honorees
- Led the project end-to-end, collaborating closely with fabricators and managing timelines under the guidance of a faculty advisor

PRODUCTION INTERN, MAKELAB

JUN-JUL 2024 — BROOKLYN, NY

- Acquired hands-on experience in end-to-end fabrication, including 3D printing, finishing, and assembling prototypes
- Supported production scheduling and quality assurance, focusing on workflow management to meet client deadlines
- Collaborated with cross-functional team members to coordinate workloads and machine status

WEARABLE TECHNOLOGY DESIGNER, NOVIRAD INC. (NASA X TCC CHALLENGE)

JAN-APR 2024 — BROOKLYN, NY

- Worked with a team to create a wearable solution for NoviRad's smart drainage system
- Led user research, usability testing, and persona development to ensure the design addressed real patient needs
- Utilized 3D printing for rapid prototyping and fabricated a final soft goods prototype for testing
- Awarded '**Best Prototype**' at the workshop hosted at NASA Johnson Space Center in Houston, TX

GRAPHIC DESIGNER, BLISTERS

SEP-OCT 2023 — BROOKLYN, NY

- Designed packaging and advertisements for fictitious products used as props, enhancing the film's period aesthetic
- Conducted visual research for the production designers, contributing to cohesive storytelling through design and elevating production quality
- Collaborated with art department to style and decorate the set, ensuring a visually immersive environment

STATION MANAGER & MONITOR, WPIR PRATT RADIO

AUG 2022-2024 — BROOKLYN, NY

- Revitalized the radio station after a two-year hiatus, growing the listener base to over 500
- Managed daily operations, trained new hosts on broadcasting equipment, and organized an extensive music archive
- Designed and launched a new streaming website, and collaborated on the setup of *Off-Air*, the station's online magazine

VICE PRESIDENT, IDSA PRATT CHAPTER

AUG 2024-PRESENT — BROOKLYN, NY

- Organized and facilitated student meetings, fostering community and collaboration within the Pratt IDSA (Industrial Designers Society of America) chapter
- Coordinated workshops and networking events that connected students with industrial design professionals

SKILLS

Software: Photoshop, Illustrator, InDesign, Figma, SolidWorks, KeyShot, Autodesk Maya

Design: Prototyping, Wireframing, Visual Design, User Research, Usability Testing, Iterative Sketching, Design Presentation, Interaction Design

3D Prototyping: 3D Printing, Woodworking, Metalworking, Ceramics, Soft Goods Design

HONORS

Rowena Reed Kostellow Scholarship (2024), Student Choice Award Finalist (2023), DIS Copenhagen Merit Scholarship (2023) President's List (2021-2024), Presidential Merit Scholarship (2021-2024)
