

Anne-Sophie Berting

Anne-Sophie Berting is a bookbinder and graphic designer currently studying at ArteZ University of the Arts.

Anne-Sophie is particularly interested in book design, printed matter, archiving, bookbinding and has a deep passion for traditional crafts. She enjoys a collaborative creative process. Her work is driven by a commitment to craftsmanship, with a keen eye for detail, colour combinations and clarity of design.

Whether it's crafting custom books, designing layouts, or preserving the beauty of traditional techniques, her goal is always to produce work that is both functional and visually compelling.

how to make their own portfolio
boxes.

PAPERJAM Pop Up Store

(ongoing) @paperjam.artez

Co-founder

I set up a Pop Up store selling
work made by Graphic Design
students to help them reach an
audience outside of the academy.

Academy council member

With my seat on the academy
council I have strongly advocated
the use and expansion of the
workshops at the academy. In
addition I have initiated the
development of a new
textile-art workshop.

2025-current

Course committee member

With my seat on the council I
am committed to substantiating
knowledge and skills of craft
among students.
