OBJECTIVE

Upcoming BFA graduate in Industrial Design at Rhode Island School of Design with a keen interest in the fields of product design and UI/UX design. Seeking opportunities to apply my design expertise, innovative mindset, and collaborative spirit to solve real-world design challenges and enhance user experiences.

EDUCATION

- Rhode Island School of Design** **Providence, RI**
Bachelor of Fine Arts in Industrial Design **2021 - 2025**
- Core Courses: MIT Product Design Development, Design for Dog, Furniture Low-high Fi, Hybrid Realities, Designing Solidworks, UIUX, Advanced CAD, Wood Design, Metal Design, Product Photography, Paper Making
- Massachusetts Institute of Technology** **Cambridge, MA**
Cross registration **2025 - 2025**
- Courses: MIT Studio- Product Design and Development
- Jericho Senior High School** **Jericho, NY**
High School Diploma **2017 - 2021**
- Awards: Scholastic Art & Writing Awards Gold Medal. Visual & Media Arts Award at Jericho Public Library Art Show

PROFESSIONAL EXPERIENCE

- MORA Art Museum** **Jersey City, NJ**
Solo Art Exhibition **Oct. 2023**
- Held a week-long solo exhibition at MORA Art Museum from Oct. 2023, showcasing 19 artworks, including 10 paintings and 9 3D works created between 2020 and 2023.
 - Attracted about 500 visitors, and garnered positive feedback from diverse audiences.
 - Engaged in discussions with visitors, fostered connections with fellow artists and received valuable suggestions.
 - Collaborated with MORA Art Museum to create a dedicated website featuring information about the solo exhibition.
 - Leveraged the opportunity to expand cultural exchange and enhance artistic growth.
- Novel "Summer Harvest"** **Jericho, NY**
Book Illustrator **Jun. 2020**
- Crated 13 illustrations, including the cover and back, for the book "Summer Harvest,".
 - Collaborated with authors, translating short stories into visual art.
 - Contributed to the book's availability and sales on Amazon.

EXTRACURRICULAR EXPERIENCE

- Aerospace Information Research Institute, Chinese Academy of Sciences** **Beijing, China**
Evtol Industrial Designer Assistant **Jun. 2024 - Aug. 2024**
- Assisted in the design and development of eVTOL (electric Vertical Take-Off and Landing) aircraft.
 - Utilized my skill of SolidWorks, Sharp 3D, KeyShot, and Procreate to provide tailored design support.
 - Recorded meeting minutes, consolidated spreadsheets, prepared reports, and managed budgets for necessary materials.
 - Conducted experiments with various materials for constructing eVTOL models.
 - Investigated regional customer needs in Guangzhou, Zhuhai, Guilin, and Shanghai, refining and adapting designs to meet specific requirements.
- RISD Pre Collage Program** **Providence, RI**
Teaching Assistant **Jun. 2022 - Aug. 2022**
- Provided teaching assistance for the Exploration in Design program, managed attendance, graded student work.
 - Provided personalized guidance, helping students refine their design concepts.
 - Applied expertise in pen drawing to inspire students, introducing new techniques and styles.
 - Shared work examples and offered tailored feedback, fostered individual growth and confidence within the class.
 - Conducted workshops to promote collaborative learning and foster a dynamic educational environment.
- New Energy Education** **Jericho, NY**
Teacher **Jun. 2019 - Aug. 2021**
- Instructed children aged 6-12 in drawing and creative design.

SKILLS & HOBBIES

- IT Skills**
- Proficient in MS Office, Adobe Creative Cloud, Figma, Procreate, Blender, Solid Works, Rhino, Key Shot, Shapr3D, Gravity Sketch, Meta Spark, Python.
- Machinery**
- Laser Cutting, 3D Printing, CNC Machining, Wood Shop Machine (Table Saw, Band Saw, Planer, Lathe, etc), Metal Shop Machine (Plasma Cutting, Sheet Metal Bending, Lathe Operation), Sewing Machine.
- Soft Skills**
- Design Thinking, UCD, User Research, Market Analysis, Rapid Prototyping & Iteration, Cross-Functional Collaboration, Client Communication & Stakeholder Engagement, Mentoring, Leadership, Strategic Thinking.
- Language**
- English (Bilingual), Mandarin (Bilingual).
- Hobbies**
- Holds a Black Belt in Martial Arts.
 - Co-founder of the Tai-Chi Youth Group in New York.
 - Secured First Place (Gold) in 24 Tai-chi Quan & Fan category at the 3rd Pan American Kung Fu & Tai Ji Quan Championships & USAWKF Wushu Team Trials in California.
