1. About Us

Material Matters is a UK-based cross-media platform dedicated to material intelligence in architecture and design. We curate events, produce editorial and podcast content, and work with partners to explore the role of materials in shaping the built environment.

2. Use of the Site

You agree to use the Site for lawful purposes only and in a manner that does not infringe upon the rights of, restrict, or inhibit the use and enjoyment of the Site by others.

3. Intellectual Property

All content on the Site—including but not limited to text, graphics, logos, images, audio, video, and downloads—is owned by Material Matters or our partners and is protected by UK and international intellectual property laws. You may not reproduce or distribute content without prior written permission.

4. Third-Party Links

Our Site may include links to third-party websites. These are provided for your convenience and do not constitute endorsement. We are not responsible for the content, privacy policies, or practices of third-party websites.
