DRAWING CENTER

EMOTIONAL FLEXIBILITY:

- An artist willing to teach and adapt to needs
- access to a wide range of curated materials
- Space to move and create freely
- lesson refined based on students' or artists' culture, race, identity, age, sex
- Adapting to each individual's learning needs and differences
- Open dialogue and conversations
- Zero-tolerance environment

ART MAKING NEEDS:

- building a community that promotes creating a safe space
- developing skills and techniques in a controlled environment
- releasing and expressing emotions
- flexibility with trying new mediums

WHAT IS COLLABORATIVE ART MAKING?

it is the skill or techniques-building process through making art with a group led by a practicing artist within the medium.

BENEFITS:

- building a community that promotes creating a safe space
- developing skills and techniques in a controlled environment
- releasing and expressing emotions
- flexibility with trying new mediums
