Sivan Lavie (1992) is an interdisciplinary artist based in New York City. Sivan believes we are here to heal and feel the big colorful moving weirdness of the universe, and therefore builds her own parallel universe of colorful fun, meditative calm, emotional processing and childlike wonder aimed at the body and senses. She makes paintings, drawings and poetry. She's had solo shows in the UK, Switzerland, and the USA. Notably she's exhibited in The Water Mill Center (NY), Magasin III Jaffa Vitrine (IL), Beit Hatfutzot Museum (IL), HIT Gallery (CA), Satellite Gallery (NY), Gapäckausgabe (CH), Öff (CH), Angus-Hughes Gallery (UK), Barbur Gallery, (IL) Rothschild Foundation (IL) and Kupferman Foundation (IL), alongside many more artist-run spaces.
