With over five years in graphic design, I specialize in solving complex challenges in branding and identity. My expertise in typography and image creation is dedicated to crafting persuasive narratives. As a co-founder of the Friday Collective, I lead the creation of dynamic creative communities and work on various projects involving branding, packaging and web.

WORK

Cofounder – Friday Collective
August 2021 to PRESENT
A three person team working on various client projects in identity design, marketing, collaborating with like-minded people.
