Sphere of Time*

Opening reception
July 15th, 5-8 PM

Exhibition on view
July 15th - August 26th

Space Ten Gallery is proud to present “Circumnavigating the Sphere of Time,” an exhibition of transcendental works on paper by the reclusive and mysterious Los Angeles artist, Madam X. Drawing comparison to artists like Hilma af Klint and Agnes Pelton, Madam X has worked in relative anonymity for the last 40 years, passionately exploring an evolving understanding of the spiritual world through her artwork.

Nothing is known about Madam X.
