## EMPLOYMENT HISTORY

### **Ceramics Technical Assistant & Workshop Leader**

Victoria & Albert Museum

*November 2022 - present, London*

- Teaching hand building and throwing workshops for young people and schools.
- Teaching classes for V&A members and various external charities.
- Managing the on-site ceramics studio, providing technical support for the artist residency and learning programmes.
- Working with the artist-in-residence to help realise their ideas.
- Reviewing and updating all COSHH risk assessments, MSDS, as well as putting a new H&S procedure in place.
- Developing new inventory documents for tools, equipment and materials.
- Leading induction and training days for V&A staff.
- Facilitating ceramics workshops with visiting artists.
- Organising kiln and equipment repairs with contractors and manufacturers.

### **Studio Assistant & Teacher / SkandiHus**

*May 2023 - present, London*

- Teaching classes
- Loading/unloading kilns
- Reclaiming clay: Pugging, wedging
- Mixing glazes
- Kiln maintenance: replacing thermocouples/relays/wires
- General studio maintenance

## PROJECTS/WORKSHOPS

### **Ceramic Narratives / V&A Museum**

*January 2024 - December 2024*

This year I have written a regular Friday ceramic workshop for schools (KS2&3) visiting the V&A. The workshop explores storytelling via themes of identity, home and belonging.

### **Upstart Careers Festival / V&A Museum**

*November 2023*

Drop-in workshop making buttons inspired by artist Lucie Rie. The workshop aligned with last years Upstart theme of fashion.

### **Artist Maker / The Bowes Museum**

*August 2023 - present, Barnard Castle*

Ceramic workshops inspired by objects in the collection. In June 2024 I will be running an online CPD for teachers.

### **Field Recording Workshop Lead / Peckham Supply**

*16th September 2021, Peckham Supply*

Introduction to field recording and sound design including sound walk through Peckham.
