CARO

Caro is a ceramic studio created by the artist and photographer Carolina Cortella. She creates one-of-a-kind ceramic pieces in her Los Angeles studio, inspired by nature, cinema, photography, and art history. Her hand-built artworks are designed to interact dynamically with light and space, aiming for sensory impact.

Creating ceramics is deeply grounding for Carolina, connecting her with the rich history of cultures and nature. Each piece she creates is an exploration of creativity and self-expression.

The pieces listed in the catalogue are available for purchase and can also be loaned for real estate staging or photoshoots within Los Angeles.

*The Nostalgia Collection* consists of a series of hand-built ceramic table lamps that blend contemporary style with modern allure. Each lamp is designed to evoke a sense of timeless elegance while illuminating your space with a soft, inviting glow.

They are wired using UL Listed electrical components, cloth-covered wire, a brass socket, and a fabric drum shade or porcelain shade if specified.
