A photograph of a red metal cage, likely for a car, with a warning sign. The cage is made of red-painted metal bars. The warning sign is black with yellow text. The text on the sign reads "DANGER" in large, bold, sans-serif capital letters. Below "DANGER" is the text "KEEP HANDS & ARMS" in smaller, bold, sans-serif capital letters. Below that is the text "INSIDE THE CAR AT ALL TIMES" in smaller, bold, sans-serif capital letters. The sign is attached to the red metal frame of the cage. The background is a plain, light-colored wall.
