DESIGN EXPERIENCE

HSSV Brand Refresh – Visual Identity Designer / Oct 2024 – Dec 2024

- Refreshed the visual identity of HSSV, an animal rescue nonprofit, modernizing its brand system while retaining the existing logo.
- Curated illustration assets and visual elements to build a warm, approachable, and contemporary look that reflects the organization's compassionate mission.
- Designed the website landing page and extended the refreshed system across print, digital, and merchandise applications for a cohesive brand presence.

CSR Visual System (MUJI) – Brand Identity Designer / Feb 2025 – May 2025

- Developed a CSR-focused visual identity system for MUJI, aligning digital and print applications with its sustainable-living philosophy.
- Conducted a full brand audit and research process including design brief, audience personas, and moodboards to define core keywords guiding tone and visual direction.
- Designed cohesive digital and print assets and built a comprehensive brand guideline.

SodaStream Visual Rebrand – Brand Identity Designer / Apr 2025 – May 2025

- Conducted brand research to identify visual inconsistencies and outdated design across platforms.
- Developed moodboards and logo concepts, refining the chosen direction into a modern identity with defined color and tone.
- Built a cohesive visual system that revitalized the brand's playful and sustainable voice across all touchpoints.
