I'm 45. I manage the family video store on Fairview ave. And I'm the front man of a Christian rock group called Jesus Came. You can check out our set every Wednesday at Ronnie's Bar and Grill. My ex wife is ALSO in Jesus Came. She's the drummer and I'm still very much in love with her. She's seeing Erik(our bassist). It's difficult to watch them make out every Wednesday... i'm not looking to get into a relationship, I'm just here to promote our band. So come check us out. God bless:)

hey are you around? I left my cellphone in the car and rob won't be back from his meeting for an hour.

no it's not like important important just like I have a phonecall at 6 he should be back before then but if he's late im sol

yea I had the keys but I gave them to stef she needed to get into the storage unit to get that painting her grandpa did of their old house

no the one in ct

yea it was nice I liked it too

but no are you around I left my cellphone in the car

Recently divorced. Her decision not mine. Whatever. I don't care. Don't need her. Don't need the kids. "Tom" can deal with all that. So I got lots of free time. I'm unemployed, but I was in a band that did songs for for advance auto parts commercials. A lot of people said we had potential. A lot of people said a lot of things. Whatever. Anyways I'm still making good money on royalties, so I can afford to take you out a few nights a week. I'm in good shape. Don't have a six pack any more, but dad bods are in, right? Hell I AM a dad lol. Also if you're afraid of this whole "covid" thing, I'm not interested.

how much poop is in a beard

All Images Shopping News Videos Maps B

Almost 50 per cent of male beards have traces of faecal matter - even when men wash them with soap the same day. Scientists swabbed and analysed men's beards to discover what gross germs are nestled beneath the surface. Jul 27, 2018
