# Arthur de la Roche de Bransat

## Product / Industrial designer

Passionate product designer with over 2 years of freelance experience, eager to apply skills and expertise in a design studio or agency. Currently studying at Strate Design School, actively expanding design skills and knowledge.

As I graduated during the Covid-19 pandemic, limited internship opportunities existed due to widespread lockdowns. However, my freelance work has offered valuable hands-on design experience resulting in a diverse portfolio that showcases my capabilities.
