## EXPERIENCE **Prota Ventures**

Industrial Design Intern | Aug - Dec 2023

Collaborated with entrepreneurs and early stage founders. Founded and led my own venture through the idea stage, proving market size and designing for manufacturing.

## **Garmin**

Industrial Design Intern | Jan - Apr 2023

Designed wearable technology products within the fitness segment. Delivered ideation sketches, photoshop renderings, CAD models, and prototypes. Presented to directors.

## **Priority Designs**

Industrial Design Intern | May - Aug 2022

Contributed to rapid ideation for clients in tech, medical, lifestyle, and sporting goods. Delivered presentation sketches, storyboards, and CAD models. Presented to clients.

## **Crown Equipment Corporation**

Industrial Design Intern | Aug - Dec 2021

Designed concepts for future lift trucks. Created sketches and presentation renderings. Developed CAD models and physical prototypes. Collaborated with engineers.

## **Procter and Gamble**

Industrial Design Intern | Jan - Apr 2021

Delivered trend analysis and research from consumer interviews. Developed sketches, storyboards, renderings, and prototypes. Collaborated with engineers.

## EDUCATION **University of Cincinnati**

Bachelor of Science in Industrial Design | 3.92 GPA | 2024
