Notable Course Projects:

William Eggleston and the Real World title sequence
Motion Design 2 | 11/2024
This project was meant as a homage and study of Eggleston's photography, by recreating his shots in C4D my aim was learn from his treatment of color and lighting and amplify it's effect through animation.

Töne Storefront brand identity
Branding Studio Study Away | 06/2024
Developed a branding system and applications for a fictitious Berlin based guitar store/ music venue. This involved researching existing music stores in Berlin and design characteristics of the city to carry into this project.
