

COLUMN SIDE TABLE

The Column Stools: a soft interpretation of Brutalist architecture. Curvilinear forms are blunted by vertical planes and tempered in creamy, Earthen-hued linoleum. Their circular tops make them versatile as occasional seating, end tables or pedestals. Use one as an accent seat or create a custom dining set with color-blocked combinations of your choice.

Custom dimensions and colors available upon request. All furniture is made to order.

Estimated lead time is 6-8 weeks.
