PERSONAL STATEMENT

In order to secure my future - I wish to become a valuable part of a **design team, studio or agency**; with the ability to showcase my current talents and also improve them.

I want to **learn** and **develop myself** as a designer within a constructive environment and help to create or be part of projects that are **special**.

EXPERIENCE

Cafe Supervisor (02/24-03/25) Royal Opera House

Management of day-to-day operations and team workflows to ensure high standards of service and presentation.

Led and coordinated a team and was able to delegate roles to increase efficiency and sales.

Juggled multiple responsibilities whilst working under pressure in a fast paced environment.

Quick to address service issues including dealing with customers.

Freelance Designer (Ongoing)

Since my last job, I have not only expanded my portfolio and developed my skills but have also contributed to several freelance projects set by clients which include the use of brand identity, logo packages and website design.

I am continuing to perfect my craft whilst seeking full-time employment.
