

To Whom It May Concern:

It is with great pleasure to write this letter of recommendation for Mareike Nabel, who was my intern at Lindsey Media during the spring and summer 2025. I have known Mareike personally for the last year, and am absolutely certain that Mareike would be a great addition to your team. She is, without question, one of the most hard working and conscientious interns I have hired thus far, and was an integral part of my company's growth. I run a small fashion PR firm in New York City, and Mareike's presence for the time we spent together made my day to day so much more enjoyable – her infectious smile and energy lights up the room, and her quality of work is second to none.

Mareike is an extremely motivated and diligent worker, which allowed her to succeed in her position each week. As one of my interns, she had the opportunity to work on well-known, prestigious brands such as Allina Liu, BELLE, and Wiederhoeft. She has an innate ability to be proactive and develop perceptive opinions on many different projects throughout the semester.

Not only was Mareike an intern, but she also possessed many qualities that allowed her to develop a great rapport with people of all ages. Mareike's mature demeanor and friendly attitude made it extremely easy for other people to gravitate toward her. Mareike worked extremely well with her fellow peers and adjusted seamlessly to each counterpart's specific way of working.

I highly recommend Mareike with absolute confidence. She is one of the most well-rounded interns that I have ever had the pleasure of working with. With her natural drive for her future goals, I am positive she will be an asset to your program. If you have any questions regarding this recommendation, please do not hesitate to call me.

All the best,
Lindsey Solomon
