General notes

This space is used to share comments regarding function (do all the links work, does imagery zoom on click, etc.)

The review will check all links, hover states, emailto function, and socials.

Formatting and layout remarks will go here too.

If the designer uses resources like Wix or Squarespace, that will be noted (because they can be limiting control over design.)

Example:

"All internal and external links fuction, email too. Hover states function. Imagery used for Project X did not zoom on click. Typography choice is legible. Wesite is responsive. Consider revising center-aligned design on Page Y to match left-aligned design on all other pages."
