

Vladimir Umanetz
Tina Turner Meets Kurt Gödel

U-Haul Gallery is pleased to announce Vladimir Umanetz: *Tina Turner Meets Kurt Gödel*.

Umanetz presents two works from his *Ongoing* paintings series, works that are initiated and authored by an individual, then abandoned to be affected by the audience, environmental factors, and accidents.

O-14 (LPSVCYDH), is a collaboration between Umanetz and a heteronym, Hikari Himada, continuing the artist's studio exploration of his heteronyms.

Alongside the works on view, U-Haul Gallery will present a screening of *Chronicle*, a film exploring the artist's practice and philosophy.

Tina Turner Meets Kurt Gödel marks the gallery's first exhibition in London. Aligning with Frieze and Minor Attractions, U-Haul Gallery will plant its flag in the United Kingdom for the first time.
