Passionate and creative photography graduate ready to dive into the professional world. Looking for an entry-level position where I can use my skills, and collaborate with a talented team to create meaningful social connections.

I am proficient in design and have the ability to create visually appealing graphics and content. My keen eye for capturing captivating visuals is also evident in my passion for photography.

EXPERIENCE

Photographer at Audio Show · Commission
Unilet Hifi Sound and Vision · 2020

- I had the responsibilities of meeting with the brands exhibiting and taking shots of their equipment between demonstrations.
- Communication with the brand to understand what images best reflect their products. Working under pressure and with short turnaround times.

Photoshoot Nude Fine Art · Commission
2020

- Communicating with the makeup artist when to start shooting, creating a relaxed atmosphere.
- Spoke with client before shoot what kind of feeling she wanted to capture, helped her feel at ease before the day.
- Helping the model feel confident before and after, showing her images during the process and reassurance.

Sales Assistant · Part Time
Superdry Oxford Street · May 2022 · June 2023

- Actively engaging with customers, anticipating their needs, and making personalised recommendations.
- Working under pressure at busy times and being able to use teamwork to be more efficient.
- Creating a friendly atmosphere.
