PHOTOGRAPHY COLLECTION

MARCH 2024

FRUIT & PAIN

STILL LIFE | CONCEPTUAL

explores the juxtaposition of natural beauty and human aggression through the lens of still-life photography. By combining vibrant fruits with instruments of violence, this collection challenges viewers to confront the relationship between growth and destruction.

SWALLOWING FROGS

CREATOR | ART DOCUMENTARY

IN PRODUCTION | EXHIBITING IN 2024

An extensive artistic documentary project where dozens of women are interviewed on the subject of rage, how it manifests in their life, and how they have taught themselves to suppress it, accompanied by visual metaphors which illustrate their experiences.
