

THEY'LL
BURN

TOO BY SARAH
EIKO

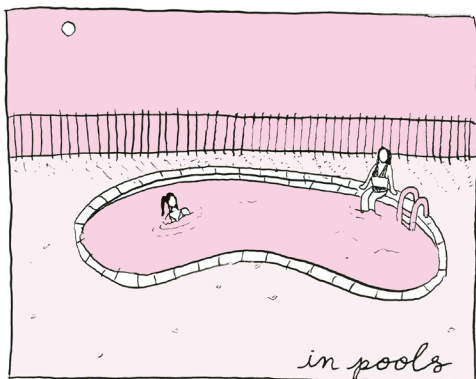

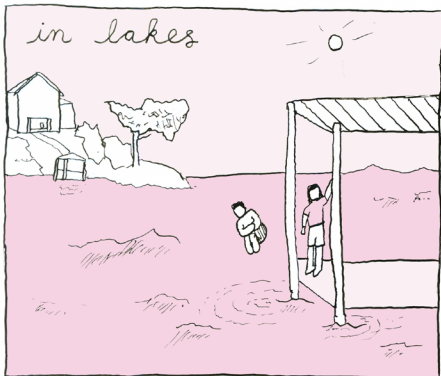

created in 2024
for “comics in the margins”
in san francisco, california

midwest summers are SO HOT.

teens are left to find refuge...

in lakes

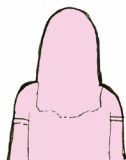

in pools

& nighttime bonfires

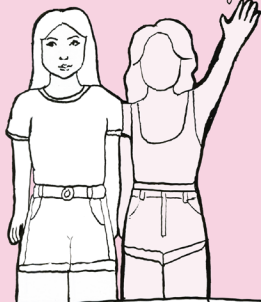

i have the
MISFORTUNE

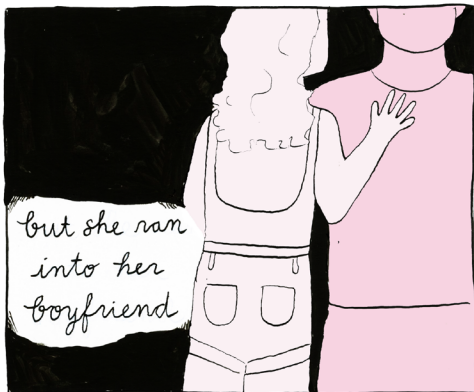

of being one of
those teens

i walked in here with my
best friend

but she ran
into her
boyfriend

and i ran into this

lukewarm beer

feels about
even.

HEY, FAG!

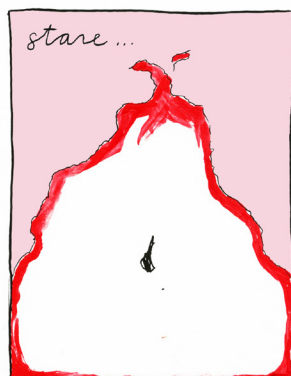

WHAT DO YOU THINK
YOU'RE DOING HERE?

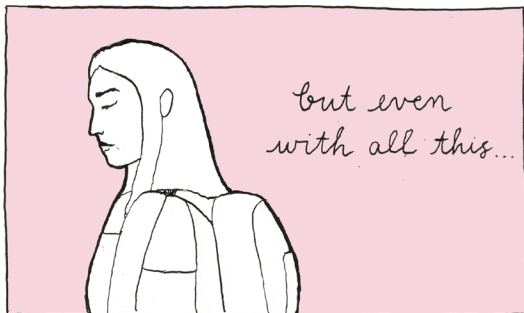

fuck.

whatever.
just
stare & ignore.

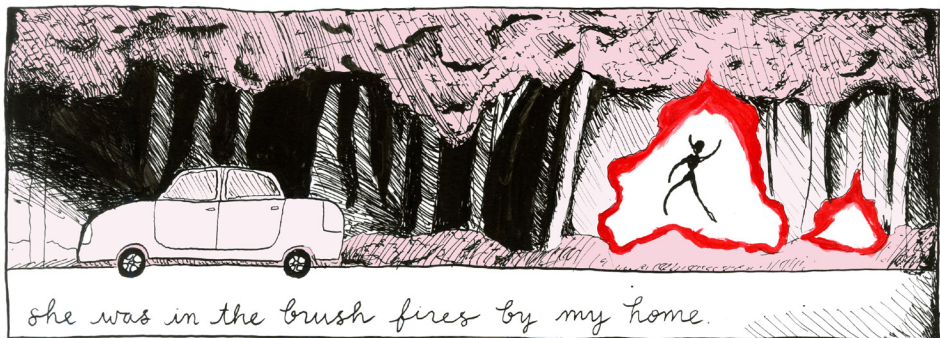

i couldn't stop seeing it.

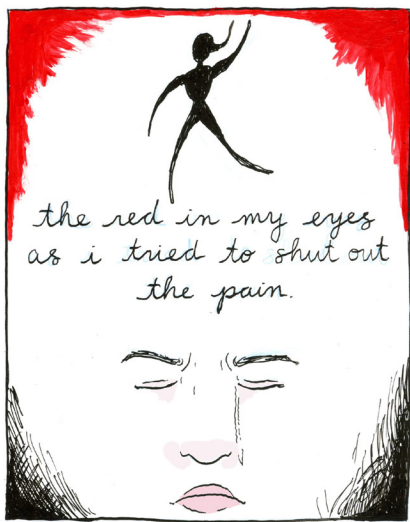

her.

she was in the brush fires by my home.

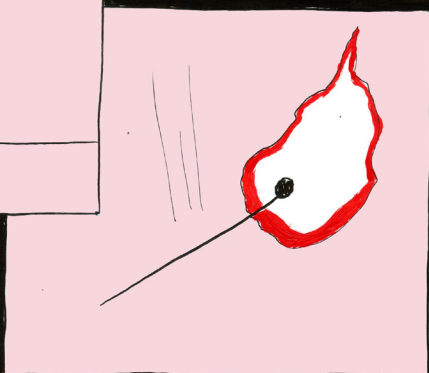

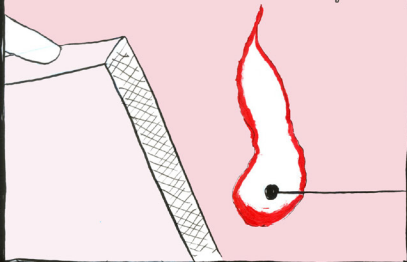

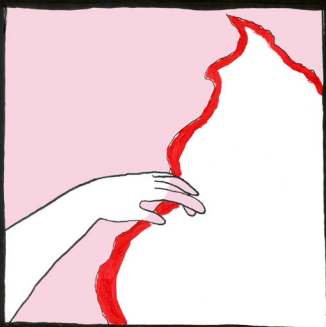

*the fire
my dad
threw my
pride flag
into.*

*the red in my eyes
as i tried to shut out
the pain.*

"they'll burn too"
she whispers.

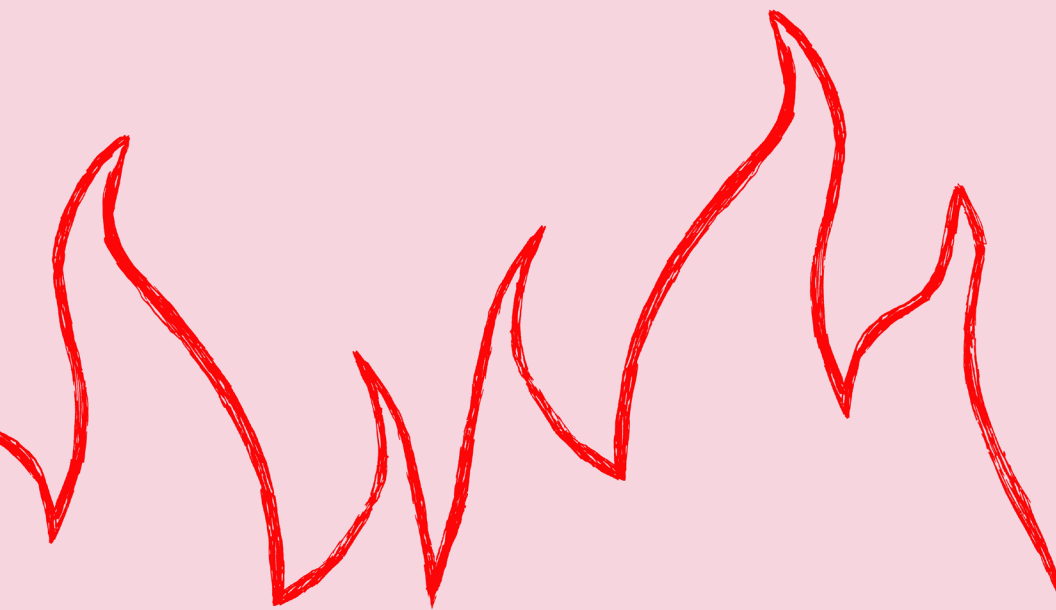

they'll
burn, too.
