EXPERIENCE

Archetype Technical Production Manager

May 2023 - Present

Creating large-scale performative environments that fuse light, sound, language, and art. Lead and liaise with vendors, production crews and client teams to ensure flawless realisation and execution of the production. Managing some of the company's biggest clients & €1M+ budgets. Manage agreements, contracts and a network of freelancers, artists & collaborators.

Recent Credits include:

BICEP * Kelis * Annie Mac * Barry Can't Swim * Biig Piig * Armand Van Helden * Luke Kelly Festival * Culture Night

Algorithm Senior Producer

June 2021 - May 2023

Overhauled and implemented new project management tools and internal processes to help the production department, and the company, work more efficiently. Extensive experience in end-to-end event execution, from concept development to on-site management, budgeting, and stakeholder coordination.

Bentley Meeker Lighting & Staging Production Manager

Feb 2019 - June 2021

BMLS is renowned for specialising in all areas of event production – Lighting, Audio, Video, Staging & Rigging. Successfully managed over 200 projects/special events for New York's most exclusive and elite clients from concept to execution and evaluation. On-site lead for teams of 30+ technicians, engineers, programmers, and freelance crew. I oversaw all elements of the production, and quickly and a calmly problem-solved any issue that arose.

Events Managed include:

New York City Marathon * Alexander Wang Collection 1 Fashion Show * Met Gala Afterparty * Hugo Boss x Russell Athletics Fashion Film * Clinton Foundation Private Dinner * Calvin Klein Christmas Party * Hudson Yards Opening
