PROFILE

Yukin Zhang majors in fine arts at the University of Southern California. Hardworking and responsible for the tasks given, Zhang is able to provide effective and innovative solutions to problems. Her 13 years of studying across multiple disciplines has guaranteed her artistic skills and passion in this field. Speaking both English and Mandarin, Zhang's international background provides her with multi-cultural perspective and critical global understanding.

SKILL

Zhang is familiar with various forms of physical and digital art making and installation. While fully capable to work independently, she acquires essential organization skills through group shows and events which require communicating with colleagues to execute good teamwork. Her compassion and goal-driven motivation allows her to be a team player and a leader when necessary.
