SUMMARY

Carson Land is a colorist, editor, and post-producer from Asheville, NC. He has over seven years of professional experience, with a background in documentary filmmaking and photojournalism.

EDUCATION

NYU Tisch School of the Arts | 2024 - 2025

- Film & TV Industry Certification

University of North Carolina, Asheville | 2020 - 2024

- B.A. in Mass Communication & New Media

EXPERIENCE

Colorist and Editor - Freelance | 2018 - Present

- Provided offline color grading for 50+ projects, consistently earning excellent client feedback
- Utilized DaVinci Resolve for color grading, color correcting, look developing, and sequence conforming
- Collaborated with directors and cinematographers to create custom show LUTs that aligned with their creative vision
- Developed custom DCTLs, power-grades, and plug-ins for high-quality, consistent results
- Edited both offline and online narrative and commercial projects using Avid Media Composer, Adobe Premier Pro, and Adobe After Effects
- Worked in multiple small post-production teams, collaborating with sound designers, motion graphic artists, and VFX artists
- Served as a 1st assistant editor, organizing clips and assets to provide a solid foundation for the picture editor

Documentary Filmmaker - Freelance | 2020 - Present

- Served in different production roles across 10+ short-form corporate documentaries, a PBS broadcast documentary, and an international feature-length film
- Primarily worked in the camera department as a 1st AC and director of photography
- Managed crews, schedules, and budgets to ensure efficient productions
- Secured over \$200,000 through successful grant writing and crowdfunding campaigns

Photojournalist - The Blue Banner | 2021

- Photographed for UNC Asheville's student newspaper to accompany published articles

Photo Editor Intern - WORLD Magazine | 2017

- Assisted in photo editing, photo re-touching, layout design, and print preparation for a national publication
