About me

Hi, my name is Nguyen Ngoc Huynh Nam, or Kevin. I'm a digital designer fueled by creativity and enthusiasm. I've honed my skills across various areas using tools such as Adobe Suite and Blender. Always open to new challenges, I thrive in dynamic creative environments and am passionate about learning and growing through every project I take on.

Experiences

Event Coordinator

Digital Media Studio 3 VJ Showcase - RMIT University (August 2023)

- Collaborated with the event team to deliver a successful school event experience.
- Coordinated the packing and transportation of equipment, managed lost-and-found items, and ensured all materials were safe from damage.

Member of Design Department

RMIT Spring Ultimate Invitational Tournament 2025 (September 2024 - March 2025)

- Contributed to brainstorming and developing creative concepts in collaboration with core leaders and team members.
- Partnered with the marketing team to design and deliver social media content, including key visual assets for tournament.
- Supported the production of the official recap video to highlight tournament outcomes and engagement.

Member of Media Department

RMIT SGS Dance Club

(October 2024 - March 2025)

- Executed graphic design tasks under the direction of the club and media leader, producing visual assets for a variety of events and activities.
- Assisted with the setup of dance video recordings and provided operational support to the media crew, ensuring seamless production.
