-Organized a 58,903m² floor area Xin Du Tainan Social Housing with three 15-floor buildings & 618 units
(Assisted in winning competition, Developed 3D modeling & rendering, Created SD, Devised DD, Established CD)
-Designed for a 33982.9m² floor area Zhubei City Jiafeng Elementary School with 60 classes
(Assisted in winning competition, Created 3D modeling & rendering, Carried out SD, Developed DD)
-Collaborated with Academia Sinica in designing their Southern Center
(Conceptualized design proposal, Developed 3D modeling, Assisted in DD & CD)

•Kengo Kuma And Associates, Tokyo

Architectural Intern (09.2018 - 12.2018)

Visualized spatial design & technical details for Ahn Luh Qingdao Resorts
(Carried out design proposal, Created 3D modeling & rendering, Built physical model, Assisted in SD)

•Xian Dai Architectural Design, Shanghai

Architectural Intern (06.2016 - 08.2016)

Designed exterior appearance of Wanlicheng Community Hospital
(Developed design proposal, Constructed 3D modeling, Assisted in SD)

Academic Experience

•Cornell University, U.S.

Research Assitant (09.2023 - Present)
-Analyze several types of housing typologies
-Housing Innovation Lab

Competition & Award

•UIA-HYP Cup 2018 Second Prize

International Student Competition in China
Second Prize (Main Jury: Patrik Schumacher)
Project: Seeing with Eyes Closed

•2018 Thesis Design Second Prize

Thesis Design Competition in Taiwan
Second Prize (Taipei Architects Association)
Project: Seeing with Eyes Closed

•Final List Award of Thesis Design

Thesis Design Competition in Tamkang University
Project: Seeing with Eyes Closed

•Interaction Architecture:

Learning from Biological Study
2017 Scholarly Paper
Published in Architecture Institute of Taiwan

•Interaction Envelope:

Interaction Between Architecture Skin and Emotion
2017 Scholarly Paper
Published in Architecture Institute of Taiwan

Proficiencies

•3D Program:

Rhinoceros, Sketchup, Revit, Vray, Grasshopper, Lumion, Artlantis, Laser Cutting, 3D Printing

•2D Program:

AutoCAD, Photoshop, Illustrator, Indesign, Photography, Lightroom, Microsoft Office
