### **Work Experience**

**Passkey** (2022- current) *Co-Founder, Graphic Designer, Developer*

Passkey is an x<sup>w</sup>məθk<sup>w</sup>əyəm-based experimental label and show series, providing a platform for creative acts, live musicians, and non-club DJs who might not have a traditional platform. Co-founded with colleague Adam Nickel, I serve as the primary design director, organizer and stage designer.

**XLX International** (2022 - 2023), *Graphic Designer, Junior Developer*

XLX is an event organization project that focussed on DIY electronic music events in Chicago, IL, New York, NY and Vancouver, BC. I focussed on poster design, and the creation of our website. I was also in charge of marketing the shows to the DIY scenes in the previously mentioned cities through Google Ads, Instagram and Resident Advisor.

**Himbo Events Corporation** (2021 - 2023), *Show Curation, Graphic Designer*

Himbo Events is a group that was created during the COVID-19 pandemic that was created around the 'positive affirmation' trend of that time. This was my introduction to event organization along with poster graphic design. Himbo Events has organized and managed over 5 events in the past year at local venues.

**London Drugs Limited** (2020 - current), *Advisory Team*

Creation of in-store graphic materials within branding regulations. Ensuring quality and efficient customer service, resolving customers' concerns. Supporting management with customer service, internal projects, and inventory control. Monitoring sales trends to inform management about expected demand related to the tech department. Processing orders and shipments between stores. Training new employees, providing technical information about products. Making effective recommendations to customers regarding high-tech products related to computers, televisions, cameras, and electronics.
