## EXPERIENCE

### Lucy Ruppert Productions

Eugene, OR

Independent Photographer and Creative Consultant

November 2022-Present

- Developed and executed photoshoots for over 15 clients. This included concept-building, styling, location planning, production design, photo editing, and creative strategy planning.
- Collaborated with local California artists and filmmakers to create 6 visualizers through video editing for artist's social media and assisted as 1st AC on multiple projects.
- Created a Film Production book outlining a compelling narrative and demonstrating project management skills
- Designed and distributed social media announcements and posts for the Film Club at Orange Coast College

### The Music Box Media

Eugene, OR

Photography intern

January 2025-Present

- Photographed the cover for the article titled "Bowl Peace on Eugene and their new single 'New Clothes'"
- Assisted in location scouting, production design, and set coordination
- Collaborated with the founder of the Music Box to execute the creative vision
- Communicated with the stylist to ensure visual consistency and brand alignment

### Align Magazine

Eugene, OR

Photographer

October 2024-Present

- Collaborated with art directors, graphic designers, writers, stylists, and models to execute a collective vision
- Planned, organized, and directed photoshoots
- Executed test shoots with multiple lighting set-ups and helped develop production design. Two editions of the magazine have my work featured: "The New Frontier" and "Double Take"

### The Racks Eugene

Eugene, OR

Photography Intern

December 2024-February 2025

- Executed three Y2K-themed fashion product shoots for their 2025 Winter Edition Magazine to promote their goods
- Shot in various settings, including studio and outdoor environments
- Worked closely with the owner in planning, directing, and organizing each shoot
- Gained knowledge of the clothing re-selling process and sustainable clothing practices

**ADDITIONAL SKILLS**

- Adobe Suite Certified  
-Lightroom Classic, Illustrator,  
Photoshop
- Proficiency in Microsoft and Google  
suite
