

REBECCA MONTALVO

Creative Coordinator, Educator & Digital Artist
rebbymontalvo@gmail.com // www.rm-tnkrt.com

Highly organized creative professional, practicing artist, and educator with experience in project coordination, administrative support, and arts-based program management. Skilled in managing workflows, schedules, and cross-department collaboration while supporting academic and creative environments. Known for clear communication, adaptability, and maintaining efficient systems in fast-paced settings.

Professional Experience

Laboratory Coordinator II, University of Central Florida – Orlando (08/2024 – 05/2025)

- Coordinated laboratory operations to ensure compliance with safety regulations, protocols, and institutional standards.
- Developed and implemented training programs for staff and students, covering equipment use, safety procedures, and scheduling access.
- Streamlined inventory and scheduling systems to improve tracking of laboratory supplies, reagents, and purchase orders.
- Oversaw & developed a web-based platform to facilitate communication and provide faculty, students, and staff with up-to-date laboratory policies, procedures, and resources.

Instructor & Graduate Teaching Assistant, University of Washington – Seattle (08/2017 - 06/2023)

- Collaborated with departmental leadership to transition in-person courses to a virtual format during the pandemic, maintaining 100% enrollment in the Video Foundations program through effective adaptation of online teaching tools and methodologies.
- Developed and taught creative coding workshops using Python, GitHub, and creative APIs, increasing student engagement in digital art by 30% and improving project quality by 20% within the Experimental Video track.
- Maintained an active international and national exhibition practice, with work shown across the United States, Italy, Poland, and China, expanding institutional visibility and global reach.
- Led curriculum-enhancing initiatives by coordinating guest lecturers and interdisciplinary perspectives, contributing to improved research outcomes and a 10% increase in diversity and inclusion goals.

Graduate Teaching Assistant, School of the Art Institute Chicago – Chicago, IL (08/2015 - 05/2017)

- Earned recognition as a featured artist across multiple press platforms, resulting in 10+ features and a 25% increase in public engagement with creative and academic work
- Supported student assessment and skill development through workshops and technical demonstrations, contributing to a 10% improvement in overall academic performance.
- Collaborated with faculty and staff as a Shapiro Fellowship recipient to share resources and best practices, benefiting 100+ first-year students and improving research and teaching effectiveness by 15%.
- Received 8 academic honors and awards over the past decade for sustained excellence in art and education.

Gallery Administrator, Frankenstone Art Center – Chicago, IL (01/2011 - 05/2014)

- Maintained and updated 200+ personnel records, improving document control and appointment management systems and increasing operational efficiency by 30%.

- Increased gallery visibility and recognition through targeted digital marketing campaigns, driving a 15% increase in website traffic and a 30% increase in event attendance.
- Strengthened relationships with funders by clearly communicating organizational mission and impact, contributing to a 15% increase in funded grant proposals.
- Streamlined the grant application process by implementing transparent workflows and accurate cloud-based recordkeeping, improving grant submission efficiency by 15%.

Product Advisor, Microsoft – Oak Brook, IL (01/2011 - 02/2012)

- Provided high-quality customer service to 20–30 clients weekly, utilizing in-depth product knowledge to maintain a 95% customer satisfaction rate.
- Resolved customer inquiries and concerns through email and in-person communication, improving response efficiency and support outcomes by 20%.
- Maintained current product knowledge through ongoing research and training, contributing to a 10% increase in sales through informed, customer-focused recommendations.

Family Room Specialist, Apple – Orlando, FL (05/2006 - 12/2008)

- Provided technical support via chat and email, resolving application-related issues and improving overall customer experience.
- Diagnosed and resolved hardware, software, and network issues across approximately 20 Genius Bar appointments per day, increasing resolution efficiency by 30%.
- Delivered daily technical support to internal and external users, reducing repeat issues by 25% through effective incident management and conflict resolution.
