EXPERIENCE

Central Intelligence Agency | Langley, VA
Graphic Design Intern | Full-time Co-op | September 2025–December 2025
Top Secret/SCI clearance with full scope polygraph. Conceptualize, design, and produce visual solutions that convey intelligence to US policymakers and executives. Provide insight on best practices for optimal visual presentation.

Kraemer Design + Production | Cincinnati, OH
Design Intern | Full-time Co-op | February 2025–May 2025
Contribute concept sketches, elevations, and production files for interactive museum exhibitions. Collaborate with various disciplines to brainstorm and ideate theming concepts and environmental graphics for multiple clients.

Sesame Place | Langhorne, PA
Entertainment Technology Intern | Full-time Co-op | May 2024–August 2024
Participate in the design and installation of park theming and event setup, fabrication and budgeting. Working with stage managers, supervisors, and other technicians, oversee the technical success of live performances and parades.

DAAP Photo Lab | Cincinnati, OH
Student Worker | Part-time | February 2022–Present
Facilitate use of industrial printers, plotting machines, and other photography/film technology. Oversee equipment rentals and returns. Train new team members while assisting students and professors with photography and printing inquiries.

ACHIEVEMENTS

UC Riso Club
