## How your taxes fund weapons manufacturing

The Labor government has promised to improve our lives in the middle of a cost of living crisis – but what are they really spending our money on?

Weapons manufacturing is a booming industry in Australia, and it gets massive government support. Instead of hospitals, community programs and climate adaptations, public money is pouring into facilities that build bombs and fighter jets.

How did we get here, what does it mean for our future economy – and what can we do about it?
