EXPERIENCE

Sacramento Kings

Motion + Graphic Designer 04.21 - Present

I lead all creative development for motion graphics projects as well as manage/art direct design interns and freelancers. Additionally, I assist the art director in the development of the Kings' brand campaign identity.

Disney

Motion Designer 06.20 - 04.21

Designed and animated product reels for National Geographic and Marvel Unlimited product releases. Designed motion interaction for National Geographic app redesign. Designed and animated iconography for Walt Disney Imagineering and ESPN Fantasy.

Visual & Motion Design Intern 06.19 - 12.19

Created new loading animations for ESPN Fantasy League along with a new animated icon collection. Illustrated and animated characters for DisneyNOW's splash screens. Reviewed and animated web iconography, interactions, and page flow for ABC.

CalArts

Motion Design Teaching Assistant 01.19 - 05.20

Assisted 20+ students with their technical skills and conceptual design process. Worked with professor on developing projects, lectures, and demonstrated tutorials for students on After Effects and Cinema 4D.

Web Designer & Developer 09.18 - 05.20

Designed and developed web platforms for the Print Services department. Managed web-pages for new content such as tutorial pages and various FAQ pages.

NBCUniversal

Graphic Design Intern 06.18 - 09.18

Designed custom marketing material using key art for a variety of NBC shows such as America's Got Talent, Brooklyn Nine Nine, and This Is Us. Modified key art to suit appropriate digital platforms on web and social media.
