Experience

**ID Intern, LeapX Design**  
May 2024 - July 2024 | Shenzhen, China

- Collaborated in the ID pipeline to conceptualize and prototype a new electric kettle, designed for improved form and function.
- Explored form and materials for an office chair design, including factory visits and producing detailed renderings to guide production.
- Facilitate interior design in their new studio space.

**ID Intern, WeRide**  
May 2023 - July 2023 | Guangzhou, China

- Explore Robobus Exterior Sensor Kits and Robotaxi roof antenna design.
- Designing interior components for robotaxi and CMF choice for robobus.
- Produced high-quality product renderings to enhance company's visual representation of its autonomous driving solutions.

**Motion Designer, Lunar Gala**  
Nov to Mar 2022, 23 | Pittsburgh PA

- Participated in ideation sessions with the brand team to shape future directions and enhance the overall vision of the fashion show.
- Utilized Blender and After Effects to create visually captivating backdrop assets that complement both the models and the show's overall theme.
- Shot and edited promotional videos to support marketing efforts.
