## Experience

### Graphic Design Student

August 2021-present

Became proficient in graphic design through intensive study and application of the Adobe Creative Suite, engaging in a series of strategic in-class projects designed to mirror professional creative workflows. Cultivated a strong command of graphic design principles and digital tools, preparing for seamless integration into industry-standard practices.

### Two Percent Podcast

Graphic Designer/Producer/Editor  
June 2020 - December 2021

Collaborated with a creative team to produce a weekly podcast, ensuring a cohesive brand identity and visual consistency across all media. Directed multi-camera setups and skillfully managed live camera-switching, contributing to a polished viewer experience. Edited episode content, balancing time constraints with quality standards.

### Playground

Graphic Designer/Screenprinter  
January 2021 - August 2021

Founded and cultivated 'Playground,' a clothing brand for the youth demographic. Drove the brand's creative direction with original designs and hands-on screenprinting, establishing a distinctive visual identity.
