TEACHING EXPERIENCE

UC Berkeley Political Science Department

Lead Instructor

Spring, 2022

- Designed and taught seminar for advanced undergraduates: *Public Policy Challenges in American Politics*.

Graduate Student Instructor

Fall, 2020

- Assisted Professor Joel Middleton in teaching the first course in the quantitative methods sequence for Political Science PhD students, covering topics including: regression, parametric models, probability theory, missing data, and causal inference.

Graduate Student Instructor

Fall, 2019

- Assisted Professor Paul Pierson in teaching Introduction to American Politics.

NON-ACADEMIC EMPLOYMENT

Congressional Budget Office

Assistant Analyst for Healthcare Policy

September, 2013 - June, 2015

- Analyzed data from first two years of Affordable Care Act health insurance marketplaces, leading to co-authored journal article published in *Health Affairs*.
- Refined data model to improve projections of disability insurance applications.
- Contributed to data model estimating future gaps in providers of primary care.

Southern California Edison

Regulatory Policy Analyst

August, 2012 - August, 2013

GRANTS, HONORS, AWARDS

Climate Social Science Network Research Grant (Jonas Meckling, 2021)

\$44,019 for research on climate advocacy and opposition in the U.S. states.

UC Center Sacramento Emerging Scholar Award (2021)

Mike Synar Graduate Research Fellowship (2019)

Awarded to distinguished UC Berkeley graduate students writing dissertations on an aspect of American politics.

Odegard Award (2018)

Awarded each spring to one doctoral student in their third year who has performed exceptionally well on coursework and preliminary examinations.

National Science Foundation Graduate Research Fellowship (2015-2018)

SKILLS AND EXPERTISE

- Programming in R and Stata, including data wrangling, data analysis, data visualization, and machine learning.
- Research design and methods for causal inference.
- Expertise in energy policy, healthcare policy, and housing policy.
