EXPERIENCE

Emotive Brand
Internship

Summer 2023,
Summer 2024

Hired as a member of the design team at Emotive Brand working alongside other team members in person and online. Gained experience developing brand design systems, creating Iconography, logos, animations and illustrations. Participated in internal design collaborations and attended client meetings. Hosted a team event, and was an active contributor at team meetings.

Campus Life
Graphic Designer

Fall 2023 – Present

Graphic designer for Campus Life, responsible for creating the official logo and the design of social media content. Additionally, Designed all forms of collateral for the 2024 Spring Fair. Including a range of assets, such as posters, digital event banners, and social media promotional content.

ClearlyRated
Freelance Designer

December 2024–2025

Worked with the data and analytics team and copy writer to produce both the 2025 Accounting Buyers Insight Report and the 2025 Staffing Buyer Insights Report “Client Edition.” The reports were the main assets for two integrated marketing campaigns for ClearlyRated, targeting professional services firms in the Staffing, Recruiting, and Accounting industries. Delivered clear, data-driven designs that supported strategic marketing initiatives, and enhanced client engagement.
