## Work Experience

**Student Assistant**  
Library HfG Schwäbisch Gmünd  
10/2023–now

## About me

I'm a 21 year old, open and fun person with a strong curiosity for exploring new things. I believe that while content is key, there's always room to enjoy the creative process.

Besides designing I like traveling, reading a book or drinking a cup of coffee with my friends. I also enjoy going out in the nature.

I'm interested in branding, print design and illustration.
