

tourist

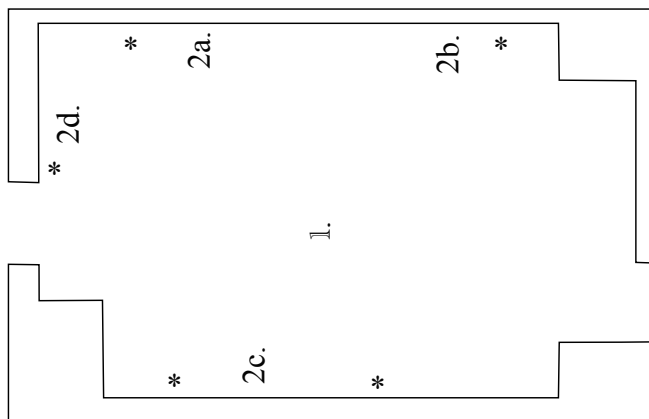

[tour·ist]

/'tʊə.rɪst/

- someone who visits a place for
pleasure and interest,

feeling of seeing something as though it were
in a different key or hue, ability to approach
your scene, transposed, seesawing between the
naive and the knowledge of where you came
from (comparison). mundanity in new
conditions can become intriguing.

criteria is off kilter, awry, trying to get 'it' right
with different coordinates, not sure what you
should be doing, a novice, you also feel new.
what is correct, what is the done thing?
