Lau Yee Vanessa Fong (B.1997, Hong Kong) is a London-based visual artist who has recently completed her MA in Painting from the Royal College of Art. Prior to this, she earned her BFA in Fine Art from the Art Center College of Design in 2021. Her creative work is profoundly influenced by Buddhist and Eastern culture and philosophy, depicting a personal journey of spiritual self-healing after experiencing trauma. She explores the quest for self-identity while reinterpreting Buddhism in a modern visual language.
